Ryan and Friends, Laugh out loud in Lancaster County!

I recently attended a production of Ryan and Friends, presented by [\[1\]](#)Lifestream Productions, at the Living Waters Theater in Strasburg, Lancaster County, Pa. Ryan is a ventriloquist and his friends, Little Jakey, Harold and Irene, Tiffany and Ardie give a delightful and humorous look at Lancaster County culture. A fun hour of song, laughs and audience participation awaits you. You will leave the theater smiling. An enjoyable show for young and old. Ryan and Friends will run April thru November mid week and on most Saturday afternoons. Check the calendar for dates and show times.
